BEFORE GIVING MY PRESENTATION YOU MUST KNOW THIS.....

08.09.2023. ANNETTE KOLDING RØRVIK. DENMARK. MAIL:
ANNETTE.KOLDING@REGIONH.DK

THE SURGICAL NURSES OF DENMARK DO
NOT HAVE A SPECIALIST EDUCATION.

A SPECIALIST EDUCATION APPROVED BY
THE NATIONAL BOARD OF HEALTH IN
DENMARK. PROVIDING ECTS POINTS.

HOW DO WE BECOME SURGICAL NURSES?

Apply for a job at the department
and You will be given local training

COLLABORATION WITH A FORMAL INSTITUTION

- Training of skills in practice
- Using National Competence Cards
- Simulation training
- Theoretical education

STATUS CONCERNING WHAT:

TO BE PROUD OF

TO BE CONCERNED ABOUT

08.09.2023. ANNETTE KOLDING RØRVIK. DENMARK. MAIL:
ANNETTE.KOLDING@REGIONH.DK

POSITIVE ISSUES TO BE PROUD OF

Professional postgraduate supervisors who can organize the progressive competence development of surgical nurses

Collaboration with many stakeholders who can support the need for retention and recruitment

Dedicated and professionally skilled surgical nurses who can translate strategy into action

MATTERS TO BE CONCERNED ABOUT AND TO BE DISCUSSED

01

How to retain experienced specialists and recruit new surgical nurses?

02

Who is the future healthcare worker?

03

Strategy for establishing specialist education

WHAT ARE WE WAITING FOR IN DENMARK?

RECOMMENDATIONS FROM A
GOVERNMENT REPORT ON HOW TO
SECURE MORE STAFF AND MORE TIME
FOR THE TASKS.

COMMISSION FOR ROBUSTNESS.

WAITING FOR....

Adjustment of the Danish Specialist Education
program

Support from the new chairman of the Danish
Nursing Council

How can we be steps Ahead?

How can we share future perspectives
on needs that have an impact on our function and
role as surgical nurses?

QUESTIONS FOR THE PANEL AND THE
AUDIENCE.
